Fulfilled Rasta's know and follow Yeshua's teachings for a *fulfilling* life. Selassie, for whoms modern teachings we prize and follow, have been misrepresented as the Christ, or King of Kings and Lord of Lords. This reference was addressed by Selassie on several occasions where he plainly states that he is NOT Christ. With this said, several Rastafarians continue to believe that Haile Selassie I is the true and living Yashua. Even so, after his death in the early 1970's was he assumed this.

Fulfilled Rasta's respect Haile Selassie I's importance in *fulfilling* Itiopia's progress, but do not see Haile Selassie I's as the Christ. This theory based on several biblical accounts and statements that back the devinity of Yashua as a devine being, not man. *"Yashua saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."* John 14:6

Who can offer everlasting life but the true and living Yashua? The son of Jah who forever lives. *"Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead?"* 1 Corinthians 15:12 Shall Selassie I rise from the grave? *"And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst."* John 6:35 *"For the bread of God is he which cometh down from heaven, and giveth life unto the world."* John 6:33

Exclusive Interview with Reggae Artist Turned Inspired Minister Judy Mowatt

Sistren Judy is aflame for Yeshua. Read this detailed interview and see what Sis. Judy

has to say about Yeshua, Selassie, Rastafari, her ministry and Music Career. Yeshua is truly a healer and redeemer to those who believe he can cure the curse of misinformation. NOTE: Fulfilled Rastafari take the name from a reported account of Sis Judy saying she was Fulfilled. However, she later revealed to InI in this exclusive interview, that she did not remember saying it at all, but InI are glad to keep the name Fulfilled Rastafari, in honour of her great descision for Christ!.

Greetings & Welcome!

from the Fulfilled Rasta House

Fulfilled Rastafari Mansional House is an Organization of Rastafari 'Bredrin' and 'Sistren' who follow Yahshua (Jesus Christ) recognizing Him to be the Messiah and the Only Way to Obtain Eternal Life. By this we seek to fulfill the Teachings and Philosophies of His Imperial Majesty Haile Selassie I, 225th Emperor of Ethiopia and Defender of the Orthodox Christian Faith. **Fulfilled Rastafari** acknowledges that being a follower of Yahshua is a tangible living way, made known through works done in faith. Therefore we seek to be servants and friends of humanity, witnesses and evidence of the cross as living branches. We do not proselytize or evangelize in the usual 'Christian' manner. InI do not seek to force, coerce or otherwise impose InI Faith on anyone else, for we know that a tree is only known by its fruits. Therefore a disciple is known by love in action, so we seek to find local and international opportunities to live our faith through **Community Works, Activism and Volunteerism** being enabled by the Holy Spirit following Yahshua the greatest of servants example of being the living sacrifice and vessel of love. InI are particularly interested in **supporting, and funding works that support African people in the Diaspora and strengthening the Rastafari Communities around the World.**

Doctrinally, **Fulfilled Rastafari** knows that the only real answer to world religions divisions and Man Made 'Rules' is to keep it as simple as possible, by living the royal law of life which is to love one another as Christ loved us. Love is JAH and JAH is light, so as we decrease presenting ourselves as vessels fit for the master's use, the brightness of his rising in us will gather his sheep unto him by an increased hunger to abide in him and **know him more.**

We are fixed on fulfilling the teachings of His Imperial Majesty Emperor Haile Selassie I by creating an atmosphere **founded on Christ** and established through **International Morality, Collective Security**, exploiting all areas of agreement, **Economic Independence, Education and Empowerment of women, Non-alignment and Peaceful settlements of all disputes.** We practice **Harambe** (Living together, Working together in Unity) amongst InI Community. We consider ourselves fellow Bredrin and Sistren of the other Sects and Mansional Houses of Rastafari, even if their Faith may be different than ours. What binds us is our **commitment** to make tangible the teaching of His Imperial Majesty Emperor Haile Selassie I who stressed that unity is our strength and greatest weapon of defense, and we should not allow anything to stop us from pressing forward in areas of no dispute trusting the Holy Spirit to work out any differences amongst us. As he states, *"Nevertheless, if we wish to strengthen our unity, we must overcome the factors that tend to balkanize and weaken our continent"*. Therefore, let us walk the path of unity with unwavering faith in our common struggle against colonialism, poverty, disease and ignorance which are the enemies of Africa and humanity. *"How long will we, who are disciples of the Lord Jesus Christ, who are taught by the same Holy Bible, continue to remain divided among ourselves?" His Imperial Majesty Emperor Haile Selassie I*

"It is not the strength or the power or determination of those who oppose us that will delay success in this battle, but only the weakness of our unity" His Imperial Majesty Emperor Haile Selassie I

WHY HIMHEART?

This Viewsletter was composed as community works by the members of the Fulfilled Rastafari House. The purpose of this Viewsletter is to provide Rastafari and the rest of Jah's idren the proof of knowing, living, troding the teachments of Yeshua as our blessed leader Emperor Haile Selassie I once spoke of. We also look to uplift Africa, the birth of mankind and mother of all walks who desperitely needs to be lifted up rather than ignored as many have after her peoples were sent abroad to develop other nations.

As many of you who read this paper may not know the specifics of Rastafari culture, beliefs and truths, we look to Selassie I who tell we to look to Yashua as our source of everlasting life and peace. Though the contents of this viewsletter are exactly that, our "views", we have confirmed InI culture and truths to be aligned with what the Bible gives we to live by amongst common nature of man.

For this message is needed. Because many who read these contents have yet to be enlightened by the simplicities of life itself.

ONE LOVE. And loving one another we will teach with the articles we publish within this viewsletter. May the I find nuff relevant information to confirm InI's place in Jah's Kingdom and be inspired by the works you see here.

To Jah we give the glory and through Him Son, Yashua, the Christ we initiate his single commandment - "to Love Our Bredren".

Jah Love,

ORIGIN OF RASTA

Who Is Rastafari?

Haile Selassie I, crowned in 1928 Emperor of Ethiopia, is most graciously known as the 225th Emperor in a direct bloodline of the Ethiopian monarch, Menelik being the first. Menelik was the son of Queen of Sheba and King Solomon who is the son of David king of Israel. With this said, we can see how many could see His Imperial Majesty as one of divine importance. Born, Tafari Makonnen, Haile Selassie I would be referred to as Ras (Amharic Royalty) Tafari when put together pronounces Ras-Tafari. From here, we see where this word was born. Emperor Tafari Makonnen himself. Before he became 20 years of age, Haile Selassie I married Woizero Menen Asfaw, a granddaughter of King Michael of Wollo. During his reign as king he established numerous schools, hospitals, banks, an airline, abolished slavery in his country (March 31, 1924) and modernized the overall infrastructure of Ethiopia. During his reign, Ethiopia was seen as a powerful civilized independent African nation. His contribution made his country known throughout the world as a powerful nation and was a model many African nations hoped to achieve. In 1974, Emperor Selassie passed on to be with his model, Yashua and Jah the Father. Though he lies in a gravesite in Ethiopia, his life, legacy and historic words continue to live on, thus bringing to life the teachings of being *fulfilled* in Christ.

Rastafari belief of H.I.M., Haile Selassie I as being the Messiah has not changed even though he and his family have denied it. Neither the coup, nor his death in a small room in his former palace, has deterred them from their misunderstanding. But as Selassie I said himself *"I am mere Man, and when I pass, generations will succeed me."* This prophit of a man was as humble as any should be. It was Yashua whom he allowed to show himself to InI. In the words of the Almighty in the Holy Bible say: *"give and it shall be given unto you"*: is worth observing in InI's daily life. Forgetting self-love and self-indulgence and break away from all this worldly desires, you will be able to make great contribution to yourself, your family, community and your country. May the Almighty Jah, the God of Jacob, Abraham, Issac, Moses and Yashua (Jesus Christ) the son, bless guide and protect you as you walk in his Light.

H.I.M., FOLLOWER OF YASHUA - THE CHRIST

In many of H.I.M. speeches, Haile Selassie I clearly emphasized the importance of knowing Yashua and acknowledging his presence. "The love shown in Christ by our God to mankind should constrain all of us who are followers and disciples of Christ to do all in our power to see to it that the Message of Salvation is carried to those of our fellows for whom Christ Our Saviour was sacrificed but who have not had the benefit of hearing the good news." Haile Selassie

(World Evangelical Conference - Berlin - October 28, 1966)

RASTAFARI CULTURE

Rastafari, with its mixture of Christianity and Black Messianic Judaism, has been called by many things; a religious cult, a religion, a sect. Please note that Rastafari do not consider themselves to be a religion or social/political group and many despise any type of classification. This is one of the reasons why cult or religious sect is the terminology most used when referring to Rastafari. After reading these articles and references to the many resources we have provided, one should be closer to answering the question "What is Rastafari?" The birthplace of all humanity, the drive behind persistence of natural livity, respect for the Emperor and his living legacy, culture, roots, and love. Rastafari is a culture, comprised of the descendants of Ethiopia (many nationalities) who respect their heritage and look to love, contentment, togetherness for the answer to the perils of Babylon. Rastafari is not a religion. It is a way of life. You are either born in it, or you are enlightened by it.

THE LIVITY

The Rastafari movement has evolved vastly and has changed much when mansions begin to form. Fulfilled Rastafari house KNOW with different mansions come different teachings and Livity, and unlike other mansions, Fulfilled Rastafari sight that in order to truly live Fulfilled InI must know Yahua (Christ), and know that he is the Son of Jah the Father.

Fulfilled Rastafari sights the important of knowing that:

- ◆ In order to truly live fulfilled, the I must know Yashua and confess with the I's mouth that he is true King of King and Son of Jah.

Locks of Love
Rastafari Drawing
Found on Yahoo.com

- ◆ InI know that locks are a part of the covenant that Rastafari have with the Most High, but InI in Fulfilled do not see locks as a necessity, since there is no hair doctrine, as even the Prophet Gad has explained in his reasoning.

- ◆ Views of seeing Selassie I as Yashua rei carnate is not InI view and InI hold what Selassie I said "...I am a man, I am mortal, and ones should never make the mistake of assuming or pretending that a human being is emanated from a deity."

- ◆ Ital diet while recommended for a healthier, natural lifestyle is also not necessary to become Fulfilled Rastafari.

- ◆ InI also see Ganjah as not necessary to reach the Most High. Of course InI never judge ones who do partake, but InI do not see it as necessary for becoming Fulfilled. InI Faith does not depend on eating Ital, partaking of herb, or wearing locks.

PAST TIMES
Poem by RasYen

The Time does pass me by,
I don't know where, I wonder why,
Things known must fade away,
Blossoming into a New Phase,

I've felt before and will again,
Sorrows come at parting friends,
And still Joy spreads with Hope and Grace,
And warms the tears from off my face,

As Time pass me by, still I climb,
Obstacles of I troubled mind,
Tho hazardous and still I find,
How dark the day, the Light will shine,

No compromise, Integrity!
Ya cant agree, then let it be,
Must move on, improve yasef,
Avoid conflict that rob ya health,

AS Time pass by we must reach high,
Higher still, we haffa try, hat due to man none
can deny,

Iniquity cant Justify,
Judgement come from JAH in Truth,
And man will know them by them fruits,
Man eat the flesh from off the earth,
And rob children before their birth,

What wickedness that man display,
Dem lost dem minds and lost dem way,
Short sighted schemes, a tragedy,
Dem nevah see the adversary!

As Time pass by, the tears we cry,
Nourish roots that so long dry,
Past Times, Pass we by,
...we don't know where...
...we don't know why.

iSTORICAL FACES

Marcus Mosiah Garvey

Marcus Garvey, unlike his minor rivals in the United States, built a mass organization that went beyond mere civil rights agitation and protest. The UNIA (United Negro Improvement Association) was based upon a definite well-thought-out program that Marcus Garvey believed would lead to the total emancipation of the black race from white domination. "The world has made being black a crime and I have felt it in common with men who suffer like me, and instead of making it a crime I hope to make it a virtue" promised Garvey. Convinced that Black people must seek salvation first, as a race, Garvey sets himself the task of doing this through the Principle of Nationhood.

“A people without knowledge of their past is like a tree without roots!”

He believed that Black people should be brought into one active community encompassing the whole Black Universe.

RED, BLACK, GREEN FLAG BACKGROUND - The race catechism Garveyites used explained the significance of the red, black and green; as Red for the blood which men must shed for their redemption and liberty, Black for the color of the noble, and Green for the luxuriant vegetation of our motherland.

Marcus Garvey was born in St. Ann's Parish, Jamaica 1887 and as a youth, he found comfort in the love of reading. His father, a wise man whose personal library became the little Marcus' playground proved to be a much needed gift for the soon-be leader. In 1909, before the foundation of UNIA, Garvey worked for a government agency in their printing department and soon began to publish his own paper called *The Watchmen*.

Unfortunately, the paper lasted just short of its 3rd issue, but that did not stop the aggressive Garvey from speaking his mind.

During his travels, Garvey had become convinced that uniting Blacks was the only way to improve their condition, and so he departed England on June 14, 1914 aboard the S.S. Trent, reaching Jamaica on July 15, 1914. Thus, this was the beginning of the foundation of the UNIA. This movement would eventually inspire other movements, ranging from the Nation of Islam, to the Rastafari movement, which proclaims Garvey to be a prophet. Garvey said he wanted those of African ancestry to "redeem" Africa and for the European colonial powers to leave it. With this said, we can see how the succession of Selassie I follows with relevance.

What is the Greatest Love?

Written by
Br. Amaha (Ohio Chapter)

What is the greatest love, and is it possible to live on this level daily? I think a good starting point is in the commandment of Yahshua (Jesus) "A new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another" (John 13:34) What stands out to me is to keep the commandment we must love as Christ loved us.

So how did Yahshua love us? Grace, for he that knew no sin became sin for us. He carried our sins on the cross (Isaiah 53:10, 12), reconciling us to Jah (God-see psalms 68:4). The point at which this reconciliation took place is when Christ spoke on the cross "Father, forgive them ; for they know not what they do"(Luke 23:34). It was when Yahshua, who did no wrong, who walked in perfect theology forgave humanity for killing his flesh for no reason that the Love of God was made manifest overcoming the world system and establishing his life as the chief authority, King on earth.

Grace means unmerited favor-to overlook the faults of others, so to love as Christ loved us is by living in grace. How do we know this? "And the Word was made flesh, and dwelt among us, and we beheld his glory, the glory as the only begotten of the Father full of **grace and truth**"(John 1:14) "for the law was given by Moses, but grace and truth came by Jesus Christ"(John 1:17) So we can see Yahshua didn't have grace and truth he was grace and truth, just as Jah does not have love, but he is love. In this we can see that in Yahshua at the cross the greatest form of Love was made manifest as he layed down his life for us who he calls his friends. Grace otherwise known as Agope or unconditional love is the highest form of love. Grace is the highest expression of love for it knows no bounds or limits, it is numberless(Math 18:22). Grace pre-supposes (requires) yielding to the Spirit which is a laying down and denial of self to live it. Therefore grace is the death walk, the living sacrifice for it is impossible for our limited flesh to exist in the fullness of grace, for babylon (carnality) which is rooted in fear and limitation is in di-

rect opposition to the unlimited unobstructedness of unconditional love. This in part is what the Apostle Paul speaks about when he mentions that I die daily. For we can't live grace and still hold a grudge. We can't live grace and treat someone conditionally putting a limitation on the extent we choose to love them. For "there is no fear in love; but perfect love casteth out all fear"(1john 4:18) So you see as we live grace amongst each other daily by the power of the Holy Spirit, we lay down our lives daily resting in the anointing without measure under the shadow of the Almighty(psalms 91:1). In comparison with how much we have been forgiven, how reasonable is it for Jah to expect us to do the same for each other? In fact as we will reason on in the next issue, the importance of grace is in being the only power given unto man to overcome /leave the world for it is the door through which we are enabled to enter into the presence of Jah (Hebrews 10:19-20), ie the throne room with full assurance of answered prayer, Glory to Jah! May we grow in grace and in the knowledge of the living way.

“Greater love hath no man than this, that a man lay down his life for his friends”
John 15:13

Basma Ab We Wolde We Menfes Quiddos Ahadu Amlak Amen

A blessed Interview with
Singer/Writer/Minister

Judy Mowatt

May we begin with an update on what the I has been doing these days? What are your works as of today? I am involved in various charities and out-reach programs, working with girls' homes; raising funds for the aids hospice for children; plus teenage pregnant girls home. Also, every December, I stage my birthday celebration in the form of a Health Fair for the senior citizens, young adults and a treat for the children. This event culminates with a gospel concert. Finally, I am in the process of working on material for my third gospel album.

How did you link with Fulfilled Rastafari? My dear friend, Ziggy Soul made this wonderful connection.

How did you feel when you heard about your inspiration of Fulfilled Rastafari? I'll never know the hearts that my music has inspired and encouraged but through God's inspiration, I was able to use the music as a vehicle to reach people that I never knew before and those I will never meet. The music meets them and so the work is accomplished.

How was it working with the late, great Bob Marley? How was he? Working with Bob Marley was like attending college. It was a learning process. He was an extreme disciplinarian; we would always be rehearsing even when there wasn't a performance so that we were always prepared. Regimented and always ready. Bob was a sincere, no-nonsense brother. What you heard was his heart in his music.

He had a genuine concern for people. He made money but gave mostly to the less fortunate here in Jamaica.

Do you still perform?

Yes I do perform, mostly ministering in church. I also do a number of secular events but I always maintain a balance of my older music and my gospel music. My older music spans right across the board. Some are even played in the church.

Bredren Ziggy speaks very highly of you sistren, how love and faith results being fulfilled. How do you feel we can achieve true happiness in life?

From personal experience, true happiness is: 1) repenting of our sins; to turn away and not look back at them. 2) Only achieved by accepting Jesus Christ as the personal Lord and Savior of our lives. Before, when I was a Rasta woman, nobody knew, but I wasn't totally fulfilled. I was declaring 'one love' but I was struggling with loving unconditionally and forgiving because of all the hurt I endured. You see, 'I never sat on my Daddy's lap and my teenage mother never taught my hands to clap' (a quote from my song 'Lord I sing Praises'. My sinful nature was operating. But the moment I surrendered my life to Christ, he came in and destroyed that old nature and now, it is Christ that lives in me. His character is righteous; Love, Joy, Peace and that is who I am and am extremely happy.

As you know, this newsletter is more of our contribution to the community and less preaching. How important is community works with when emphasizing faith? Community work is off vital importance, that's how you keep in touch; that's how you inspire, share the love, encourage someone that's feeling down, to bring enlightenment to certain misunderstanding.

What influence if any did Emperor Haile Selassie I have on your life? Haile Selassie once had a major influence on my life because I had believed that he was the returned messiah and I was comfortable with that. But the more I got into myself spiritually, and the more I read the bible, I became dissatisfied with that belief and started searching deeper and more thoroughly for the truth. Someone gave me a cassette with an interview of Haile Selassie in 1967. The interviewer asked him why does people say he is Christ – his reply was 'I am a mere man and I will be replaced by the on-coming generation and a human being should never be mistaken for a deity'. He went on further to say that we will find the truth for ourselves in the bible. Jesus Christ says that 'I am the way, the TRUTH, and the life'. Today I see Haile Selassie as a great Ethiopian king. He was the 225th Christian King coming from the lineage of King Solomon.

"If you are going to follow the teachings of His Majesty, then you have to do so according to what he says and not what you think is right or your own interpretation."

Judy Mowatt Interview continued....

Jamaica's First Lady of Worship, Judy Mowatt who for years was a key member of BOB MARLEY'S 'I-THREE', is one of those rare women who control their artistic destiny. As a result, she has achieved an impressive chain of accomplishments that are too length to mention in the little space we have in this viewsletter.

Once devoted Selassie hailing Rasta, now a Minister of the faith of Yeshua, Judy Mowatt continues to mek her mark known in both Jamaica and in the states becoming a living isample of what Yashua can do to a willing mind of Rastafari faith.

“Haile Selassie was a **Christian** man who worshiped and encouraged others to worship Christ, as very evident in his speeches. If you are going to follow the teachings of His Majesty, then you have to do so according to what he says and not what you think is right or your own interpretation.”
says Sis. Judy.

A NOTE FROM SIS. JAHMAH!

Oh it is our faith upon mountainous journey's we yearn. The heartaching is evident in and amongst us these are we... the broken hearted masses. We are full and well meaning with truth set upon our tongues as ready writers out of that abundance it flows. He is truly good. My feet touch the ground they spin for without the fortitude they strain it is not my own hand, nor the strength of my knee but by His Spirit I am freed.

I am a follower of love. Flowing from the Almighty as He reveals Himself through His everpresent ever flowing love destined for no other purpose than just that, true love.

I am a follower of Iyesus the Christ. All praises, lift them up... for by the truth set before me set before me by this earthly king I see. Give thanks for our Ethiopian brothers and sisters and all, and ALL who rise to say... “ of whom shall I be afraid? of whom shall I fear? “

No condemnation, there is love, acceptance and healing. To those brokenhearted masses all of we.

Much abundance in and by the Father of Lights Jah Almighty

Greetings, grace be with you all, and peace with passes all iverstanding from Jah the Father in Yahshua Christos my Lord. It is with great pleasure that we have arrived in this season. As all of we have passed through many trials and tribulations in the process of growing up into Christ in all things (Ephesians 4:15), walking in perfect love which is the measure and stature of Jah (Ephesians 4:13) and evolving into being the answer for humanity i.e. resting in the light (1John 1:7) to gather all the Fathers children unto him by the revelation of his voice. By grace, InI have given the last 10 yrs of my life to a quest of being a man of Jah, to surrender-being Jah's instrument (body) i.e. his hands and feet on the earth. Over the yrs of stumbling getting back up and stumbling again, I have come to realize the only way to fulfill the quest is by entering the Door of Grace which is Yahshua the messiah into fullness of Jah which is love. In this we abide as living branches of the true vine (John 15:5) enabling the Father to flow through InI unhindered producing much fruit for his glory and names sake.

Currently I serve within the Ethiopian Orthodox Church, studying to be a preacher of the Word and with the help of many beginning to coordinate a project in which 12 sites throughout Ethiopia will receive funding from the global community for development projects. These locally developed programs are focusing on orphans, street kids, education and aids prevention each of which is facilitated and designed to address the specific needs of the community by the locals of the specific region.

Sis. Akita Fahzil
Ohio Chapter Rep

Greetings and love from N. California. May peace abide within those who read this initial print presence of InI's house. Give thanks for this opportunity to reason with all. I hail currently out of Sacramento, California where I am mother of a very blessed and rambuncious youth. Jah has given I revelation after following Rastafari in I trod many years ago. Hailing from a 'Christian' background, I knew that the knowledge of Yashua had yet to be placed pon what I was troding, and it was with determination for overstanding that I begin to seek Emperor Haile Sellassie I's reasoning. It was here when I was given nuff revelation to confirm my suspicions. With this said, I giveth all praises to Yeshua who sent I the teachments of Haile Selassie I and the knowledge of him person which mek I even prouder of I heritage, background and now overstanding.

I was soon online searching for idren who were of like minds. This is how Sistren Kaya and I linked and she told I of a group she was hailing from her area. Blessed ting was that Yashua know what I was seeking, and when we linked, I found that the mission, overstanding and teachments were just as my own interpretation. Thus, I begin to trod with this group with confirmation within I's own heart that with the knowledge and wisdom Jah has given, I was fulfilled, and am living that way too. Presently, I too have many works yet in the midst. I have given I gifts to this house for use as webmistress and graphic developer. I am currently months away from obtaining I's bachelors degree with hopes to use it to move into Ethiopia and ivelop nuff works there. This mission is truly needed to ivelop these lands which are sacred lands.

INTRODUCTION

Br. Gebre Medhin Samuel

Uganda Chapter Rep

I am Gebre Medhin Samuel born in the Island of Dominica, in the Caribbean, raised in London, England and now living in East Africa. I was baptized and married according to the Ethiopian Orthodox Tewahido Faith. My children are also baptized according to the Faith and one is a Deacon. **I have always been a fulfilled son of Rastafari, accepting the emancipating teachings of Marcus Mosiah Garvey and the King and acknowledging Eyesus Kristus as my personal savior as without Him we have no life in us.** It is HIM whom gave us three institutions to work through in order to develop our spiritual, economical, political and social enlistment as a people that was lost and scattered due to the holocaust of the greatest inhumanity to man, the transatlantic slave trade.

We who are called after his name can do no better than to follow in his teachings. We must be proud of our race and we must do the things that will uplift our race. We must follow in his footsteps in our expression of our Faith and we must uphold those institutions and values that He encouraged us to uphold.

We must love one another without regard to class race or creed and we must love our enemies and we must forgive as he has made the ultimate sacrifice in forgiving us by giving up his life for us.

Truly greater love hath no man than that he should lay down his life for his friend.

May Jah bless all who love Him and bring knowledge of Himself to all those who do not know him.

Ras HIMson

Washington Chapter Rep

Many may know I as HIMson, but I given name is Sean Lynn. I currently live in Portland, OR, but will be moving to Tacoma, WA in the following weeks. I have a beautiful wife, Shannon, and two blessed pickney dem; Maxwell and Kaya. I spiritual trod has been intensifying over the last couple of years, and has been a learning experience with many ups and downs as I am sure ones often experience. Seems the closer we get to Jah, the harder Satan and Babylon try to dig their teeth into us, but InI shall overcome! I feel I have been most blessed by finding this organization and meeting Sis Kaya and everyone on her original Fulfilled Rastafari MSN group. The Brothers and Sisters I have met through this outlet have been a true gift from Jah and have done nothing but help to uplift one another and forward the Kingdom of Jah. I have also been called directly by His grace to work with our Brother Amaha Selassie on the Ethiopian projects of International Morality. These works have led I to trod to Ethiopia for the Millennium in Sept. as a pilgrimage and to establish a deeper connection with the people there. Once settled into I new community in Tacoma, I hope to establish works there under the same name since it has such momentum and power.

It makes I very excited to see so many of I Brothers and Sisters working towards the centralization and organization of Fulfilled Rastafari and Jah only knows what the future may bring, but one thing is for certain, His blessings are upon us and united we will move forward.

RASTAFARI EXISTENCE

Why is it important for Rastafari to Exist and Grow? Because in order to generate InI culture and to really illustrate the Love of the Most High, and to further complete the Idea of a Nation within a Nation of Peoples seperated out by the way InI live, for Jah. InI are made up of a Nation of many colours and Livities, but as Haile Selassie I seh that love abounds and is greater than any other reward of faith...

The Blessed Empress Menen

She was baptized in St Delba George Church. Her Christian name was 'Wolete Giorgis'. Her name 'Menen' means "the most beautiful well respected lady". Empress Menen was known for her household homage, instructing women and giving wise counsel. In Nov. 5 1903 she traveled to Addis Ababa, and that same year met "Governor Tafari" of Harar who later would be crowned Emperor of Ethiopia, soon come, the two we married. Because their marriage was such a sacred marriage, some compared the two to Abraham and Sarah.

It was said that Govenor Tafari hailed his closest of council, his Luitenant Govenor and the whole Harar army to await the Princess to be received by him. On Sept. 17, 1909 Prince Eyashu was impeached by vote and then Govenor Tafari was promoted to the rank of Ras and crowned Prince of Ethiopia. To him side, his Empress approved.

Empress Menen continued to sow unto many organizations, giving large monetary donations to build schools, promote programs and overall help the progression of Ethiopia and around 1923 she founded several schools for girls. Her goal was to have women respected with knowledge and intelligence. To this day, these schools

iREASON Topic: The Lies of Babylon

Lies about Jah:

There have been ones who try to bring Jah down to a lower level in regard to **His Identity**...they say He is **not** a person, or that there is **no difference between Jah and His Iration**. Some say that Jah is singular and that there is no **Trinity**. Jah is also brought down to a lower level by some ones in regard to Him Uniqueness (Most Rastafari know that there is **NONE** like Him, but still there are ones who will still lie about His Uniqueness). Some say that there is many gods and that He is just one of many, but the truth about Jah according to the Bible is: **He is a person** (Matt. 5:45, John 3:16, and 16:13). He is the Irator and so He **cannot be the same as the Creation** (Gen 1:1, John 1:1-3, Isa 44:24, Heb. 3:4). We also know from the Bible that there are **Three Persons in One God** (Why Selassie I was called 'Power of the TRInity'): meaning there is **God the Father**, whom InI call Jah (YHWH or also known as Yahweh), **God the Son** (whom InI call Yahshua and some call Jesus Christ), and **God the Holy Spirit** (Gen 1:26, Matt 28:19, Matt 3:16-17, Luke 1:35, Isa 9:6, Heb 3:7-11).

Lies about Man:

Man is built up to a higher level with regard to him **basic nature**, which is sinful. There is a fundamental **difference on how Jah sees man versus how man sees him self**. Some man say that man is basically good and not a sinner! They actually say that mans basic nature is good. Also, man is built up to a higher level in regard to **his Potential** or what he can become. You can see this when you study the philosophies of man, such as **'every man is god' or that 'man can save him self', and that mans spirit can become equal with Jah**. Some say that whatever is possible to Jah is possible to man and some even feel that mans works can actually save him...but is this true? According to the Bible, mans **basic nature is sinful**. Everyone is a sinner according to Jah. (Rom. 3:10-12, Eph 2:3, Ps 51:5, Jer 17:9). Also, **Man can never become Jah! Remember that was the oldest lie told by Satan, to Eve, when he told her she would become like Jah if she ate of the Tree of Knowledge...** Even though InI can become Sons of Jah, we will never be **Equal to Jah** (Isa 43:10, 44:6,8, Hos 11:9, Num 23:19). We can be assured that while **Good Works are a natural result of living an Uppull and Positive Lifestyle**, they do not assure I-ternal Life or Salvation, according to the Bible. (Eph 2:8-9, Titus 3:5, Gal 2:16, Isa 64:6).

The Lies about Jah Son, Yahshua:

Christ is brought down to a lower level regarding him **Identity** or Who He is, in that some say Yahshua is not the Son of Jah. **Some say he was a mere man**, and some say he was **not sinless**. Some will say **he is one of many 'christs'** or that he is one of many gods. Some have actually come out and said that He is not I-ternal, and not uniquely Jah and Man. Some will bring Christ down to a lower level in regard to **His Mission** (what He came to do). **Some say that he did not die for man's sin**. Some say his mission failed. Even some persistently say that Christ did not die really and that his blood had no powah!! But the truth about Yahshua is that **He is the Son of Jah**, the second person of the HOLA Trinity. (John 1:1,14, 20:28, 1 Tim 3:16). **The name of Christ is the ONLY NAME given for Salvation and I-ternal Life and is ABOVE every other name** (Acts 4:10, 12 Phil. 2:9-11). The truth about what He did is **that he remained 100 percent Jah while becoming 100 percent man,(1 Tim 3:16) which is a miracle**. He personally experienced every temptation any man ever have known, and yet Him remain **completely Sinless** (Heb 4:15). And although Him never deserve it, Christ took the punishment for mans sins by dying pon the cross (1Peter 2:21-24), so that all mankind could still have access to our Holy and Righteous Jah, who cannot be in the presence of Sin period!

There are Lies being told about Faith:

Faith is reduced to a meaningless expression in these lies. Though there may be some mention of having faith in Jah, ultimately followers of lies are often seen trusting in the works of some part of Iration to save them (either their own, another irated being, or even some organization). This reduces the character and uniqueness of InI Jah while exaggerating the nature and potential of mankind. It also diminishes who Yahshua is and what He accomplished! It will offer false hope to those who desire to become righteous through their own efforts (like good works). In truth, the bible says "For by grace you have been saved through Faith, and that not of yourselves, it is the gift of Jah, not of Works, lest anyone should boast" (Eph 2:8-9). The scrips clearly show we that we are saved by having faith, not in our selfs, but by completely trusting in

Yahshua, and knowing that His Death. The scrips clearly show we that we are saved by having faith, not in our selfs, but by completely trusting in Yahshua, and knowing that His Death and Resurrection was sufficient for InI salvation and I-ternal Life. We know that Good Works are the natural result of Genuine Faith, so these come out of the apprecia-lovation for receiving such a blessed Gift, for Free from Jah, so naturally we will want to serve others with our works.

There are Lies about Heaven being told:

Some have said that Heaven is a place where only a few of an elite organization will go to, while other lies report that everyone will go! Some will actually say that Heaven does not even exist. But the truth about Heaven according to the Bible is what Yahshua described in John 17:3 "And this is eternal life, that they might know you the only true God, and Christ whom you have sent" So I-ternal Life is having a real REALationship with the Father and His Son, and it begins pon the earth and it continues in Heaven. What is needed to Obtain I-ternal Life? According to the Bible, which is the Word of Jah, I-ternal Life is assured when InI have accepted Yahshua as the Messiah. If ones would stop trusting in solely our own efforts to please Jah, but rather begin to trust in what Christ have already done (Proverbs 28:26, Proverbs 3:5-6) InI would be on track! It is clear that InI must ask Jah to forgive InI (1 John 1:9) becuz alla we are sinners and need Jah forgiveness, and once InI have asked for that forgiveness, InI must ask Him to come and dwell within us (Revelation 3:20). He would thentake up Him rightful place as Lord and God of InI life (Romans 10:9-10, Phil. 2:11). If InI desire to really turn from whatever the Bible says is sin, and Know the Messiah InI are assured I-ternal Life.
