Antonio lives life's frevo  
 Antonio prays for truth  
 Antonio says our friendship  
 Is a hundred-proof

Antonio loves the desert  
 Antonio prays for rain  
 Antonio knows that Pleasure  
 Is the child of Pain

The vulture that circles Rio  
 Hangs in this L.A. sky  
 The blankets they give the Indians  
 Only make them die

And lost in La Califusa  
 When most of my hope was gone  
 Antonio's samba led me  
 To the Amazon

But sing the Song  
 Forgotten for so long  
 And let the Music flow  
 Like Light into the Rainbow

We sing the Song  
 Forgotten for so long  
 And let the music flow  
 Like Light into the Rainbow

We know the Dance, we have  
 We still have the chance  
 To break these chains and flow  
 Like Light into the Rainbow

We know the Dance, we have  
 We still have the chance  
 To break these chains and flow  
 Like Light into the Rainbow.
